Professional Summary

Greetings, I am a final-year Information Technology student at Tshwane University of Technology, specializing in Software Development. Currently completing an internship at InvestHoodIT, developing real-world web applications. Passionate about software engineering, collaborative work, and continuous learning. Seeking full-time opportunities to contribute and grow under the mentorship of experienced professionals.

Technical Skills

Languages & Web: Java, C++, HTML, CSS, JavaScript, Thymeleaf | **Databases:** Oracle, SQL, MySQL Workbench | **Tools & IDEs:** Spring Tool Suite 4, IntelliJ IDEA, Visual Studio Code, RAD Studio C++ Builder | **Version Control:** Git, GitHub | **UI/UX:** Figma | **Other Tools:** Microsoft Office 365, Linux OS | **Concepts:** System Analysis & Design, Software Development Life Cycle, Agile Methodology

Soft Skills

- Strong communication & teamwork
- Analytical thinking & problem solving
- High adaptability & willingness to learn
- Computer literacy

Professional Experience

- **Software Developer Intern**

InvestHoodIT – Dec 2024 to Present

- Developing responsive web applications using Java, Spring Boot, HTML/CSS, JavaScript, and Thymeleaf
- Collaborated with designers using Figma to implement UI/UX designs
- Managed source code and teamwork using Git and GitHub
- Worked across IDEs including Spring Tool Suite, IntelliJ IDEA, and VS Code
- Applied Agile methodologies and gained end-to-end exposure to the software development lifecycle

- **Data Capturer**

Automould, Pretoria Alwyn – 2023 to 2024

- Entered and analyzed production data using Excel and Juniper software
- Maintained real-time production boards and daily average reports
- Submitted regular performance metrics to management
- Handled high-volume data under pressure during 10-hour shifts
